## Climate Change Talk to be held at Mark Twain Lake

**Mark Twain Lake, January 31, 2013** – The U.S. Army Corps of Engineers would like to invite the public to the M.W. Boudreaux Memorial Visitor Center on Saturday February 9<sup>th</sup> at 2:00 p.m. to listen to a special guest speaker. Dr Robert Sadler, Professor of Physical Science at Culver Stockton College, will give a presentation on Global Climate Change. Topics will include atmospheric processes that have short-term and long-term influences on climate, anthropogenic causes of climate variation, indicators of climate change, and possible consequences of anticipated changes.

The M.W. Boudreaux Memorial Visitor Center is located on Rt. J, just south of the Clarence Cannon Dam. If you need additional information, please contact the Mark Twain Lake Project Office at 573-735-4097 or email us at [marktwaininfo@usace.army.mil](mailto:marktwaininfo@usace.army.mil)
